

## Recent Literature on Central Valley Birds - 2024

Daniel A. Airola

[d.airola@sbcglobal.net](mailto:d.airola@sbcglobal.net)

Here is a list of published papers and books published in 2024 on birds studied within the Central Valley that have appeared other than in *Central Valley Birds*. Please contact me to suggest additions to future lists.

Airola, D.A. 2024. Survey methods for the Purple Martin in California. *California Fish and Wildlife Journal* 110:e2.

<https://doi.org/10.51492/cfwj.110.2>

Airola, D.A., E.C. Beedy, S. Sanders, and J. Medley. 2024. Tricolored Blackbird survey methods. *California Fish and Wildlife Journal* 110:e6.

<https://doi.org/10.51492/cfwj.110.6>

Airola, D.A., and J.E. Estep. 2024. Osprey population increase and reproductive success over a five-year period in central interior California. *Western Birds* 55:183–192.

<https://doi.org/10.21199/WB55.3.2>

Clark, H.O. Jr., 2024. Loggerhead Shrike (*Lanius ludovicianus*) predation of a Horned Lark (*Eremophila alpestris*) *Western Wildlife* 11:9–10.

[https://wwwjournal.org/wp-content/uploads/sites/9/2024/02/Clark\\_WW\\_2024.pdf](https://wwwjournal.org/wp-content/uploads/sites/9/2024/02/Clark_WW_2024.pdf)

Clark, H.O. Jr. 2024. Additional records of Loggerhead Shrike (*Lanius ludovicianus*) predation on the American bullfrog (*Rana catesbeiana*), Pacific chorus frog (*Pseudacris regilla*), California kingsnake (*Lampropeltis californiae*), and common garter snake (*Thamnophis sirtalis*) in Merced County, CA. *Sonoran Herpetologist* 37:203–204.

Clark, H.O. Jr, and C.A. Reid. 2024. Suspected predation by Common Ravens (*Corvus corax*) on kangaroo rats (*Dipodomys* spp.) in the San Joaquin Valley. *Western Wildlife* 11:55–56.
